- You have to report the absence before the start of the first lesson affected by the absence. This also applies to students who fall ill during the day and leave the school. It is **not possible to report absence later than this**.
- Absence that isn't reported is considered as illegitimate absence.
- Legal guardians can also report absence in Skola24 (log in via [www.katedral.se/elev](http://www.katedral.se/elev))

- Students studying full time are entitled to a study grant from CSN.
- The school has to report to CSN when a student isn't studying full time.

# Leave of absence

- A form for leave of absence can be found on the home page.

- If the teacher needs more information in order to be able to give a grade, then the teacher can decide about a new opportunity for the student to show the required knowledge.
- If a student is late handing in an assignment, then the work will only be assessed if it is necessary to give a grade.
